

2013-2014 LHS Band Field Trip Permission Form

The Liberty High School Band Program does a considerable amount of traveling. This permission form covers all school-approved trips and will remain on file for the 2013-2014 school year.

We as parents understand that:

*the School District is not responsible for insuring me or the student with regard to the student's participation in the activity. I am responsible for obtaining any medical, accident, or other insurance that I may deem appropriate. I understand, however, that the student and I retain any legal rights we may have for Personal Injury Protection Coverage, to the extent it may be available, resulting from a motor vehicle or bus accident.

*the School District and its employees may have certain legal protections and immunities from liability with respect to any property damage or personal injury that may occur during the activity. The School District and its employees have not waived these protections and immunities. I understand that the School District and its employees may also have certain legal obligations with respect to the activity.

*all School District and band policies and procedures apply to the trip regardless of where the activity takes place. Violation of the policies/procedures or failure to follow directives, safety rules, etc. could result in the student being sent home at their own expense and/or disciplined.

We, as the parents, have discussed field trips with _____
(student name-please print)

and give our permission for him/her to make field trips and participate in the music activities. We understand that the student will be traveling by means of a charter bus, school bus, district van, or personal vehicle.

Our child has assured us that they will conduct themselves in such a way as to give credit to our school and community. We understand that school rules of conduct will apply throughout each trip. We are also aware that the District dress code policy applies for each trip/activity.
